

Learn to Dive

Planet Scuba will cover diving essentials and give you the skills and knowledge to complete your Open Water Diver Certification. Begin at

home at your own pace with the interactive CD-ROM or PADI Open Water Diver Video. Then meet with your PADI instructor to gain the practical skills of diving through classroom educational sessions and pool dives. Once completing these two elements of the program, you will be eligible to complete your certification with four open water dives arranged with

your instructor at an off-site location.
