DIVE INTO OUR UNIVERSE

We invite you to join us on one of our exciting group, instructor escorted trips!

SUMMER GET-AWAY 2021– JULY 4TH INDEPENDENCE WEEK

Dates: 3jul-10 jul 2021

Dive site profile: The reefs of the Yucatan Peninsula offer over almost 70 named dive sites and unlimited fabulous scuba diving on lush coral reefs teeming with marine life, which are just short boat rides away from the Akumal Caribe Resort. Warm tropical waters make exploring iconic dive sites year-round. Special excursions to snorkel with the whale sharks on their migration through Isla Mujeres or dive the cenotes (if desired) round-out a great week of diving!

THE RESORT & Our Dive Host: Akumal Caribe Hotel & Akumal Dive Center : Located in Akumal, Hotel Akumal Caribe is on the beach. The area's natural beauty can be seen at Akumal Beach and Half Moon Bay, while Xel-Há Park and Ecopark Kantun Chi are popular area attractions. Akumal Ecological Center and Aktun Chen are also worth visiting. Scuba diving, sailing, and boat tours offer great chances to get out on the surrounding water, or you can seek out an adventure with Eco tours nearby. Our dive shop is right on the premises and offers several dive options every day. Short rides to the reef make this an outstanding choice.

Ask us about room upgrades to corner rooms with 2 balconies or rooms with kitchenettes.
