COZUMEL**

Do your open water certification dives  
and/or  
Advanced Open Water Program

### **Dates:**

02 MARCH-09 MARCH 2019

### **Dive site profile:**

The island of Cozumel is the place of legends. Once an island capital for the eastern Mayan Empire, Cozumel's fame now lays in its diving, restaurants and nightlife. The island is located just off the eastern tip of the Yucatan peninsula in the Caribbean, and blessed with a warm equatorial current which helps to support one of the most dramatic coral reefs in the world. Crystalline blue waters, in concert with a shear wall that extends for miles along the island's western coast, combine to attract divers from around the globe. Cozumel's attributes are undeniable. However, the best part of a trip to Cozumel is that it is a short 3 1/2 hour direct flight from Denver! Carnival is the Mexican equivalent to Mardi Gras with great parades and fiesta throughout the town. Great fun and more manageable than New Orleans!

### **Hotel:**

**Villa Blanca:** is a small "boutique" garden hotel located approximately five miles from Cozumel Airport and two miles from town. Hotel amenities include a swimming pool, poolside bar, restaurant, and on-site dive shop. Services include valet laundry service, babysitting, and moped and bike rentals. Rooms have air-conditioning; ceiling fans, refrigerators, satellite TV, telephones, and all rooms have garden views. Rooms include either a king bed or two singles. This small property is immaculately clean and well located for beaches and restaurants.

**Diver Price:** \$949.00(cash/check price) \$1000.00 (credit card) **Non-Diver Price:** \$749.00 (cash/check) 800.00 (credit card)

**Our Dive Host:** **SCUBA MAU :** located on-site of the neighboring hotel this is a PADI 5 star operation and knows the best sites in Cozumel and has a fleet of boats to get us to them. Cozumel is loaded with fantastic dive sites featuring walls, tunnels, caves, pinnacles, overhangs and outstanding marine life. Visit the famous reefs of Palancar, Santa Rosa, Columbia and Chankanab National Park.
