DIVE INTO OUR UNIVERSE

We invite you to join us on one of our exciting group trip

2020 FALL BREAK - COZUMEL

Do your open water certification dives
and/or
Advanced Open Water Program

Dates:

10 OCTOBER – 17 OCTOBER 2020

Dive site profile:

The island of Cozumel is the place of legends. Once an island capital for the eastern Mayan Empire, Cozumel's fame now lays in its diving, restaurants and nightlife. The island is located just off the eastern tip of the Yucatan peninsula in the Caribbean, and blessed with a warm equatorial current which helps to support one of the most dramatic coral reefs in the world. Crystalline blue waters, in concert with a shear wall that extends for miles along the island's western coast, combine to attract divers from around the globe. Cozumel's attributes are undeniable. However, the best part of a trip to Cozumel is that it is a short 3 1/2 hour direct flight from Denver! Carnival is the Mexican equivalent to Mardi Gras with great parades and fiesta throughout the town. Great fun and more manageable than New Orleans! This is our 7th journey to celebrate Carnival!

Hotel:

ALBATROS SUITES: is a brand new small “boutique” hotel located approximately five miles from Cozumel Air- port and two miles from town. Hotel amenities include a swimming pool, Rooftop bar & restaurant, and on- site dive shop. Services include valet laundry service, babysitting, and moped and bike rentals. Rooms have amazing ocean views, air-conditioning; ceiling fans, refrigerators, satellite TV, telephones, and all rooms have ocean views. This small property is immaculately clean and well located for beaches and restaurants.

Diver Price: \$1149.00(cash/check price) \$1199.00 (credit card) **Non-Diver Price:** \$899.00 (cash/check) \$949.00 (credit card)

Our Dive Host: SCUBA MAU : located on-site of the neighboring hotel this is a PADI 5 star operation and knows the best sites in Cozumel and has a fleet of boats to get us to them. Cozumel is loaded with fantastic dive sites featuring walls, tunnels, caves, pinnacles, overhangs and outstanding marine life. Visit the famous reefs of Palancar, Santa Rosa, Columbia and Chankanab National Park.
